# CODE OF ETHICS FOR COACHES

The mission of Chandler Girls Softball is:

1. To provide a positive softball environment for girls ages 5-18 for Chandler residents and its neighboring communities.
2. To honor the game by encouraging good sportsmanship, teamwork, and physical well-being while developing the fundamental skills of softball.
3. To ensure that all players are treated as valued team members and build lasting friendships while having fun.

As an adult volunteer in CGSL, I have read, understand, and will promote the afore mentioned mission of this program. I understand that my responsibilities as a CGSL volunteer are of great importance and that my actions are a very visible example to the youth with whom I am involved. I will also uphold the specifics of the following code:

1. I will treat each individual player, opposing coach, official, parent, and administrator with respect and dignity.
2. I will do my best to learn the fundamental skills, teaching techniques, and strategies of softball.
3. I will become thoroughly familiar with the rules of softball.
4. I will become familiar with the objectives of the CGSL program with which I am affiliated. I will strive to achieve these objectives and communicate them to my players and their parents.
5. I will uphold the authority of officials who are assigned to the contest in which I am involved, and I will assist them in every way to conduct fair and impartial competition.
6. I will learn the strengths and weaknesses of my players in order that I might place them in situations where they have a maximum opportunity to achieve success.
7. I will conduct my practices and games so that all players have an opportunity to improve their skill level through active participation.
8. I will communicate to my players and their parents the rights and responsibilities of individuals on our team.
9. I will cooperate with the administrators of our organization in the formulation and enforcement of rules and regulations and I will report any irregularities that violate sound competitive practices.
10. I will protect the health and safety of my players by insisting that all of the activities under my control are conducted for their psychological and physiological welfare.
